10 COMPLIANCE WITH REQUIREMENTS FOR PATENT APPLICATIONS
CONTAINING NUCLEOTIDE SEQUENCE AND/OR AMINO ACID SEQUENCE
DISCLOSURES

Sir:

15 In order to comply with requirements for patent applications containing nucleotide
sequence and/or amino acid sequence disclosures, for the above-identified application, in
accordance with 37 CFR § 1.821 - 1.825, Applicants hereby submit a write-protected diskette
containing a computer-readable submission for the Sequence Listing.

20 REMARKS

Enclosed is a write protected floppy diskette with the sequence listing generated by
the Patent Office's PATENTIN program. The Diskette should comply with the requirements
of 37 CFR §1.824 and is IBM PC compatible with a PC-DOS/MS-DOS operating system. If
25 the diskette has been damaged, please call Applicants and a replacement diskette will be
provided. A hard paper copy of the Sequence Listing was filed concurrent with the patent
application on December 29, 2003.

I hereby state the informational contents of the computer readable copies of the
Sequence Listing, submitted in accordance with 37 CFR 1.821(e), are believed to be the

same as the paper copy of the Sequence Listing submitted at the time of filing. This submission introduces no new matter, since enclosed sequences are the same as sequences which were submitted in paper form with the patent application filed on December 29, 2003.

Applicants have invested significant labor and care in preparing the present submission. The enclosed items are a bona fide effort to bring the present application into full compliance with the rules for sequence submissions. Should this not be the case, Applicants respectfully request notification of specific deficiencies and an opportunity for remedy, as described in 37 CFR 1.135(c).

Applicants believe that no fees are required; however, if any fees are required by the present Response, the Commissioner is authorized to charge any fees or credit any overpayment to the credit card account submitted herein. Alternatively, the Commissioner is requested to contact the undersigned via phone or mail so as to provide applicants an opportunity to remedy any possible insufficiency of fees paid.

Respectfully submitted,

August, 23, 2004
